

Scouts Regional Cooking Competition

Teams of four Scouts have the chance to compete to represent Devon in the Regional Cooking Competition, by participating in the County Cooking Competition on 24th February 2019.

Teams will prepare indoors and serve a three-course meal with the theme “World Scout Jamborees: Past, Present & Future” within a specified budget. This is a wonderful opportunity for aspiring Master Chefs to demonstrate their skills, whilst having an amazing experience and plenty of fun!
